

HITO ROSADO 2020

www.cepta21.com

STORY

The word “HITO” means a stone post or milestone used to indicate direction or distance along roads as well as marking land boundaries. This wine has been created to offer the freshest and most aromatic version of our variety, without any ageing at all, made with the same grapes as our great red wines.

CHARACTERISTICS OF THE HARVEST

The weather in 2020 was marked by a slight rise in the average temperature which, together with the abundant rainfall in spring, allowed the vines to develop well. The harvest was accompanied by rainfall that did not affect the quality of the grapes obtained, which will be used to make wines of high quality, aromatic expression and intensity.

WINEMAKING PROCESS

After a brief maceration and the elimination by physical decanting of the suspended solids in the must, it is fermented at 14°C for approximately 20 days. After ageing on the lees, the wine is bottled.

TASTING NOTES

A clean, bright wine with a pale pink colour. The nose is very fresh and cheerful, with notes of red fruits and white flowers. On the palate it is expressive and with marked acidity, achieving a whole that stands out for having an elegant and fresh personality.

TECHNICAL DETAILS

Appellation: Ribera del Duero

Soil: Limestone - Clay - Stony

Location: Castrillo de Duero

Orientation: North and southeast

Malolactic Fermentation: No M.F.

Variety: Tempranillo
